

FUNDED BY THE QUEENSLAND GOVERNMENT

USER CHOICE – Apprentices and Trainees

The User Choice Program provides a public funding contribution towards the cost of training and assessment for eligible Queensland apprentices and trainees.

By choosing one of GET Education Australia's Certificate III trades courses you will be advancing to achieve your goal of becoming a fully Qualified Tradesperson in your chosen profession

Under this funding GET Education Australia delivers:

CPC30611 Certificate III Painting and Decorating
CPC30313 Certificate III Concreting

Apprentices and trainees can only receive one government contribution for a User Choice funded qualification at any single point in time, i.e. a student is not funded to undertake two apprenticeships or traineeships at the same time. It is very important that you take the time to consider your future career goals and choose the right training option before committing to a course of study which will use up this entitlement.

DO I NEED TO CONTRIBUTE TO THE COST OF USER CHOICE FUNDING?

In accordance with the User Choice policy, GET Education Australia is obliged to collect a **Student Contribution Fee which is calculated at \$1.60 per nominal hour** for each unit of competency delivered. The total fee will vary according to the range of units selected within each traineeship qualification framework.

A reduced Student Contribution Fee (concession) of no more than 40% percent of the **student contribution fee or \$0.64 per nominal hour** will apply where the student falls into one of the following concession categories listed in the fees and charges document attached. The fee may be paid on your behalf by an employer or a third party but cannot be paid or waived by the PQS.

Please see GET Educations Fees and charges information sheet for fees relating directly to your course.

Please visit the Queensland department of Education and Training website for more info.
