

Enrolment and Completion Policy and Procedures

Purpose of the policy

This policy and procedures determine GET Education Australia's approach to student enrolment and completion. This ensures that there are structured processes in place for the enrolment of students, issuing of credit transfer and recognition of prior learning, changes to services and the issuing of certificates on completion.

This policy and procedures meet the requirements of Standard 1, 5, 5 and 7 and associated clauses in the Standards for NQFs 2016, as well as Standards 2 and 3 of the National Code of Practice for Providers of Education and Training to Overseas Students 2016.

Policy statements

Enrolment

- Information related to enrolment is provided in Course Brochures and the International Student Handbook.
- Applicants must meet the entry requirements in order to be accepted into a course. The entry requirements are included in each Course Brochure.
- On receipt of an application, a course entry interview will be conducted, and a decision made on whether the student is suitable for the course based on the course entry interview and the documentation provided by the student in support of their application.
- Where a student is accepted into the course, they are provided with a Letter of Offer and Student Agreement for signing to indicate their acceptance of the offer. The Offer Letter and Student Agreement meets all of the requirements of Standard 2 of the National Code 2016. Fees are only accepted concurrently with or following acceptance of the Offer Letter and Student Agreements as per GET Education Australia's Refund Policy and Procedures.
- GET Education Australia will use an ASC/ISO9001 compliant Student Management System to record all student information.
- Records of all enrolment records including the Offer Letter and Student Agreement and associated records of payment are retained for at least 3 years.

Credit transfer and RPL

- Credit transfers a student's course can be provided by credit transfer or RPL. This means that students do not have to repeat units (or equivalents) already achieved and can be recognised for formal and informal learning, skills and experience.
- GET Education Australia will receive all RCP certification and substantiate it as part of the process of awarding credit.
- Applicants will be advised in writing of the outcomes of their application for credit transfer and/or RPL. Where the credit provided results in a reduction of the duration of the course and fees, this will also be advised in writing.
